Plaintiff Motion For A Temporary Restraining  
Order And Protection Order

I Richard Wayne Wright, Sr. Bey, Pro-Se. Plaintiff, COMES NOW, in the above style due to the heighten grave danger plaintiff is expose to under the care and control of the defendants and [their] agent(s) here at Ventress Correctional Facility (V.C.F.). I have also sent this Honorable Court document's / letters but they have been returned on both occasion without being Filed in (said) court 'Middle District'. The letters I sent to the following individuals was an earnest attempt (again) to be protected and [they] be restrained to come around me for my protection and safety. The letter I sent to Warden J.C. Giles, Mr. Mark Bruton (Classification

Supervisor), Mr. Richard Allen (Prison Commissioner) And Mr. Troy King (Attorney General) is included with this (said) motion. (See attach Exhibit "A") I also requested that the same individuals whom assault me and help restrained me (before) they excercuted the assault on November 23, 2006 in retaliation of this case. No measures has been taken by these official (prison) here at V.C.F. of afffiliating officials previous mention to ensure my safety. So now I ask this Honorable Court to take the needed measure to ensure my safety in the absence of these defendant's willful neglect. I also seek a resprentive from this Honorable Court be sent here at Ventress (V.C.F.) to see the conditions of dangers I am subjected to. I've even requested three (3) times to speak with members of the segregation board Committee members after I sent the letter(s) out to the above stated individuals named above. Twice have I met with the seg. board of the three (3) request I made to see them and still I'm subjected to being harm by these individuals, whom assault me on November 23, 2005,

Plaintiff Wright, Sr. Bey makes this request in hopes the ~~1~~ this honorable Court will give the needed order upon these officials which they refuse to adhere to any plea I make to them whether written or verbally spoken directly or indirectly to them. Such order of protection and restraining order ~~from~~ <sup>2nd</sup> this Court will minimize and possible stop any other assault which may be executed upon me and which may cause a more critical injury in which 'cause' death may occur than those injuries I've faced in the past and suffer for in the present.

IF this motion is not in its proper form plaintiff ask that this honorable Court construe it into its proper form for filing.

Done this the 19th day of July, 2006.

Respectfully Submitted,

Richard W. Wright, Sr. Bey
